PORTUGAL SENDS TROOPS

In the North Belgian Army Has Held Its Ground WAR AFFECTS ALL INDUSTRIES Against Enemy

ALONG MEUSE GERMANS HAVE BEEN REPULSED

Invaders are Attempting Not Only to Advance Along the Coast, but Have Attacked the Allies at Many Points From the Extreme North to the Heights of Meuse on the South -Rotterdam Despatch Says Marines are Leaving Antwerp to Join the Fleet at Kiel, Where Warships Have Been Extensively Provisioned-No Change in Situation in East Prussia-Pekin Reports That Japanese Have Lost Several Thousand Men in Campaign Against German Concession in China-500 000 Wounded Soldiers in France.

The Germans are attempting not ment given out at Vienna October 19, only to advance along the coast of the North Sea to the French ports, but have attacked the allies at many points from the extreme north to the heights of the Meuse to the south, on the battle front.

Belgian Army Holds Its Ground. Belgian Army Holds Its Ground.

In the north the Belgian army has held its ground with remarkable tenacity, while at La Bassee, around Arras, between Peronne and Albert, to the east of the Argonne and along the Meuse, the German offensive tactics have been repulsed. This is the substance of the French official report and in a measure it is in agreement with the Berlin official report.

Berlin View of Situation.

Berlin View of Situation,
Berlin official reports which, while
not attempting any detailed description of the battle, declares that the
German forces have met with strong
opposition at the River Yser, where
the fighting has continued since Sunday, but that otherwise the situation
rather favors German arms, particularly in the vicinity of Lille, at which
point the French have been attacking
for several days with desperation and
have been repulsed with heavy losses.

German Guns Near Ostend.

German Guns Near Ostend. Thirty thousand Germans are re-ported to have occupied the coast be-tween Ostend and Nieuport and to have dug trenches along the dykes from Middelkerke to Westenle, but later advices declare that they have been repulsed near the latter town and that their guns are now near Ostend, which town they still occupy.

No Change in East Prussia. The Russian commander-in-chief announces tersely that there is no change in the situation, although the Russians are in contact with the en-emy at warious points in Galicia and East Prussia. With this, the Berlin East Prussia. With cofficial is in agreement.

Provisionary German Fleet. A Rotterdam despatch says that the German marines are leading Antwerp to join the fleet and that the ships at Kiel have been extensively provisioned, portending possible activity on the part of the German navy, which has been for the past two months at anchor in Germany's well protected har-

Vienna Reports Austrian Successes. Vienna officially reports Austrian successes in Galicia, east of Chyrow and Przemysl, and adds that the Aus-tro-German armies have repulsed a great cavalry attack in Poland,

Japs Occupy Important Island. Japan announces the occupation for military purposes of important islands in the Marianne, Marshall, East Car-oline and West Caroline archipelagos. All the Marianne group have been oc-cupled with the exception of Guam, which was acquired by the United States in 1898 in accordance with the terms of the treaty terminating the Spanish-American war.

Several Thousand Japs Killed. Peking despatches report on the authority of refugees from Tsing-Tau that the Japanese have lost several thousand men in their campaign against the German concession in

2.000.000 Belgian Refugees.

It is estimated there are not less than 2,000,000 Belgians outside the borders of their own country, and there are at least 500,000 wounded in France. According to a Rotterdam despatch, three Zeppelin dirigible sheds are being erected at Brussels and four at Antwerp. If this is true, it may be the preliminary to the threatened air raid on England across the channel.

GERMANS REPULSED ALONG ENTIRE LINE Paris Reports That Offensive Move

Paris, Oct. 20, 11.30 p. m .- Th French official communication issued tonight says that the Germans during the day made attacks along the en-

ment of Enemy Has Been Nipped.

the day made attacks along the entire front and everywhere were repulsed. The text follows:

"The day has been characterized by an effort on the part of the Germans aleng all parts of the front to the extreme north, where the Belgian army has held remarkably: at La Bassee, where the German troops have attempted or effective may appear of the strength of the streng tempted an offensive movement of partionar violence; to the north of Ar-ras; at Mametz, between Peronne and All art: at Vauquois, to the east of life Argonne, and finally, on the heights of the Meuse and in the region of Camplon. "Everywhere the German attacks

Another casualty list dated October 16 and October 18 reports five officers killed and 12 wounded.

MONTREAL TENEMENT

WRECKED BY EXPLOSION Two Men milled and a Dozen Others Injured

Montreal, Oct. 20.—Two men were killed, a dozen others were injured and a tenement block was wrecked here tonight by an explosion on Fronand a tenement block was wretched here tonight by an explosion on Frontenac street, supposed to have been caused by a bomb.

Paul Belanger and Joseph Laffeniere, who were passing along Frontenac street at the time, told the police tonight that they saw two men, who looked like foreigners, carry a large, round object into one of the doorways of the block. An instant later a terrific explosion occurred and the body of one of the men was hurled back on the sidewalk. The other man did not re-appear and is supposed to have been buried in the ruins.

The block was occupied mainly by Russians, most of whom were eating supper with their families when the explosion came.

explosion came.

The escape of tenants from death is considered remarkable, as the interior of the house was wrecked from cellar to roof. The body found outside the house has not been identified. Belanger and La Freniere are being detailed as witnesses for the corresponding to the detained as witnesses for the coron er's inquest which will be held.

ABRUPTLY ADJOURNED. After Judge Expressed Opinion Postal Authorities Had Acted Illegally.

New York, Oct. 20.—The trial of Jared Flagg, indicted with Former United States Treasurer Daniel N. Morgan and others on a charge of us-ing the mails to defraud stock market Many protests are being filed because of alleged outrages committed by General Villa's soldiers, who are said to be holding up delegates at the point of the pistol and demanding that they shout "Long live Villa." It is cited that generals also have been accosted in this manner.

A protest also has been made that the neutrality of the convention is being violated by the presence of the city of Aguascalientes. The soldiers came from Zacatescas and belong to General Villa's command.

A resolution was passed today absolutely forbidding recruiting on either side while the peace conference is in session.

Morgan and others on a charge of user in general stock market investors, was adjourned abruptly to-day until tomorrow, after United States and until the postal authorities acted illegally when three years ago they raided Flagg's offices here and took a wag-on load of books and papers which the government has retained since.

Whether this raid was 'llegal and Flagg's constitutional rights were violated will be decided upon by the United States supreme court, whose decision is expected to be handed down in Washington next Monday. Mean-while the United States district attorney's office here decided to restore Flagg's records tomorrow to his office. Flagg's counsel, John M. Coleman, told Judge Rudkin today that once they were in his client's possession again, he had the right to "general the postal authorities acted illegally when three years ago they raided Flagge's offices here and took a wag-on load of books and papers which the government has retained since.

LITTLE BROUGHT OUT YESTER-DAY THAT WAS NEW.

TWO CARNEGIE LETTERS

After Showing How \$40,000,000 or \$50, 000,000 Could be Made, He Added "To Want More Would be Wicked."

Philadelphia Oct. 20.—Argument in the suit of the federal government which is seeking to break up the United States Steel corporation by separating into independent units all of its subsidiaries, on the ground that their combination into the one gigantic concern constituted a violation of the anti-trust laws was begun bern bern tic concern constituted a violation of the anti-trust laws, was begun here today before four judges sitting as the United States court for the dis-trict of New Jersey. Jacob M. Dick-inson, former secretary of war, who has been in charge of the govern-ment's side of the case since it was instituted, in October, 1911, took up the entire day in presenting the pros-ecution and will continue tomorrow. The entire week will be consumed by The entire week will be consumed by the fina1 arguments of counsel for each

Nothing Sensational.

The opening day's argument produced no sensations and there was little brought out that was new. The steel corporation has been under investigation, not only by the department of justice, but by the federal bureau of corporations and congressional committees and much of the sional committees and much of the testimony dwelt upon today by Mr Dickinson has been published in re-ports and in newspapers.

No Reference to Roosevelt.

Mr. Dickinson made no reference to former President Roosevelt, but in the brief filed by the government it was set out that the representatives of the steel corporation who went to Washington to consult with Mr. Roosevelt over the propriety of purchasing the Tennessee stock from the New oYrk brokers, had deceived the president as to the amount of stock held by the New York firm.

In the course of his argument Mr. Dickinson read letters and monutes of corporation meetings. corporation meetings.

Carnegie Letter Causes Smile.

One letter that caused a smile to go around and lessened the solemnity of teh courtroom was one written by Andrew Carnegie at Skibo Castle, Scotland, in 1899. It appears that Mr. Cainegie's company, with the lilinois Steel and other concerns, was in a steel rail pool. Mr. Carnegiewrote a cetter to his company, which appeared on the minutes, stating that the Illinois company was 90,000 tons

Carnegie wrote to his partners: Mr. Carnegie wrote to his pake no "If I were czar, I would make no "If I were czar, I would make no Washington, Oct. 20.—No word had come to the Washington government through official sources tonight of the break in the Mexican peace plans, in break in the Mexican peace plans, in the press dispatches from articles and bring back scrap."

ENGLAND TO CELEBRATE

Hundreds of Wreaths and Bouquets Bank Admiral Nelson's Monument. London, Oct. 20, 10.25 p. m.—Tomorrow s Trafalgar day and it will be made the occasion of a great effort

to recruit men for the army. Already hundreds of wreaths and bouquets have been banked at the base of the Nelson monument in Trafalgar square, where great crowds were present throughout the day, Can-ada, New Zealand, Australia, Japan and South Africa sent mammoth floral offerings, which are displayed beneath the monolith which is surmounted by the statue of Admiral Nelson. Nearly all the English ships also sent flowers. Numerous pathetic notes accompanied the wreaths sent by relatives of the officers and men of the British cruiser Pathfinder and other ships recently destroyed by German submaines or mines. In addition to the flowers the entire base of the Nelson monument is en-

veloped with recruiting banners bear-ing the words: "Your king and your country need you."

FATAL AUTO ACCIDENT AT WAREHOUSE POINT One Person Killed and Three Slightly Injured When Car Overturned

person was killed and three others escaped with only slight injuries when escaped with only slight injuries when an automobile overturned on the Springfield road in the southern part of the town tonight. Miss Florence Jackson, colored, of Hartford, a maid employed by Mrs. A. C. Walker of Springfield, was almost instantly killed. Besides Mrs. Walker, her friend, Mrs. F. Lewis of Hartford, was also in the car, which was driven by Walter C. Johnson of Hartford, a chauffeur. chauffeur

It is said the steering gear broke while the machine was traveling at a fair rate of speed toward Springfield. The car skidded, pitched into a ditch and then turned turtle. Miss Jackson was caught under the machine, while

Jealousy Motive in Carman Case

THAT IS WHAT STATE IS TRYING TO PROVE.

Former President Taft paid a 15- Only New Phase Developed Yesterday Was That Murdered Woman Would Have Become a Mother Had She Lived

> Mineola, N Y., Oct. 20.—The prosecution's case against Mrs. Florence Conklin Carman, on trial in the supreme court here as the alleged assassion of Mrs. Louise Bailey, will be completed tomorrow morning. District Attorney Lewis Smith so announced upon conclusion of a day spent in drawing from a score of witnesses a drawing from a score of witnesses a drawing from a score of witnesses a chain of preliminary circumstantial ev-idence by which he hopes to link Mrs. Carman directly with the commission of the crime

Carman directly with the commission of the crime.

Many of the witnesses were called to establish the alleged motive—jealousy. One was Mrs. Elizabeth Varience, trained nurse, whose face Mrs. Carman slapped when she saw Dr. Carman give her money and allow her to kiss him, it was testified. Another was Goston Bossanault, former chief of the Canadian secret service and now manager of the concern that sold the wife of the physician a 'mechanical eavesdropper, so that she might hear what was going on in her husband's private office when women patients were there. Then there was the man who installed the instruments.

What Autopsy Showed.

What Autopsy Showed.

A new, and what the prosecution seemed to consider a significant fact, was developed. Physicians who performed the autopsy upon the victim of the tragedy in the doctor's office, testified she would have become a mother had she lived.

Star Witnesses Today. The state's two star witnesses will testify tomorrow. One is Celia Coleman, the negro maid, and the other is Frank Farrell, an unempayer engineer. *Celia Coleman's story, as

Frank Farreil, an unemployed eagineer. *Celia Coleman's story, as
told to the grand jury, was materially
different from the one she told at the
inquest, when her memory was faulty.
The story she is expected to tell tomorrow is the one she related to the
grand jury. District Attorney Smith
said tonight he was sure that this girl's
story would impress the jury.

Farrell's story is to the effect that
he was at the back door of the Carman house at the time of the shooting. He saw, he is quoted as saying. Mrs. Carman run into the house
from the side yard directly after he
heard the tikle of breaking glass and
the report of a revolver shot.
